A Negro Shooting Scrape.

A negro shooting scrape occurred Thursday night below A. & M. college, but was not given out by the officers yesterday because they wanted to keep the matter quiet until the shooter was arrested. Tom Brown shot another negro, using a double-barreled shotgun, firing both barrels. The victim was pretty well sprinkled with shot in one arm and the neck, and as a result has a very painful injury, but not a dangerous one. Brown, the shooter, was arrested by Sheriff Conlee yesterday afternoon and is now in jail.

Constable C. L. Baker landed a couple of darkies in jail this morning charged with misdemeanors. Ben Moten, petty theft, and George Searcy, gambling, were the offenders and the charges against them.
